

Collecting Postcards in your Community

Email sara@ecesf.org to let us know first, that **you are collecting**—and then, to **report how many postcards you collect**—we want to keep track of our numbers!

How to get postcards:

- Email Sara, sara@ecesf.org. Let me know how many postcards you will collect and the best mailing address **and** physical address for you to receive cards (I will mail, deliver, or arrange a drop-off) **OR**
- Download and print campaign postcards, one-pager, and how-to reminders from our website, ecesf.org. (You can print your own if you prefer—or if you have an event or meeting, while you wait for more to arrive!)
- Pick postcards up at Children’s Council, 445 Church Street, San Francisco.

Be sure that everyone in your community:

- **Signs** and puts their **zip code** (or the zip code of your site if they live outside SF) on the post card
- **Knows to return their postcard to you to send—or send with a 35¢ stamp!**
- Knows why we’re collecting cards—share the campaign one-pager!

Getting postcards to Mayor Breed at City Hall:

- Each card **needs a 35¢ stamp** and is addressed and ready to send to Mayor Breed at City Hall.
- If it’s easier for you, we will stamp and send your postcards. Collect all postcards (signed & with zip code) and deliver to:
