

Sign the ECE for All Pledge for  
**Babies and Families First**  
Not a Penny Less for ECE!

We, a big tent coalition of concerned San Francisco groups and individuals urge you to sign this pledge:

I. Honor the voters' wishes – Not a penny less for Early Care and Education.

II. Nothing about us without us – No deals without ECE4All Coalition agreement.

III. Pay for it by taxing big corporations! Preserve **Babies and Families First** progressive gross receipts tax.

IV. Honor the spending priorities in **Babies and Families First**

V. Protect and preserve the baseline funding terms as stated for Early Care and Education in **Babies and Families First**.

I pledge to honor the above principles
